MEET OUR SALES TEAM

BEST CUSTOMER SERVICE "GUARANTEED"

Hi I'm Adriana,
I have been with ABACUS for over
30 years now. I can truly say that
it is being the best that has made us
the biggest calculator reseller in
Australia. Customer service is my
No#1 priority. It is a pleasure being
a part of ABACUS and this team.

Hey, I am Danielle,
I've worked for ABACUS for over
21 years now. All my customers
know I love my dog and I'm
loyal to him, as I am my job
and customer service!

Hi I'm Gloria ... I have been in
customer service for 34 years.
I am very honoured to be part
of a great team and am looking
forward to building a strong
customer relationship with all
my schools in Victoria.

Hi I am Alyson . I am new to Abacus
and I have big shoes to fill as I am
taking over from Dani while she
takes long service leave. I have
been in the education sector for
the last 15 years. I am enjoying
meeting you all.

Hello I'm Glenn Ford, ABACUS is
celebrating 40 years! We could not have
done it without your fantastic loyalty
and support so thank you!
To celebrate this milestone I'd like to
offer you some INCREDIBLE deals to
to say THANK YOU to all our loyal
supporters. See inside more details ...

Hey, I'm Helen,
I've been with ABACUS for 5 years.
I love working with my customers
and pride myself on my excellent
customer service.

Hi, my name is Pina, I
come from a customer
service background of
over 33 years and I'm
delighted to join the
Abacus team. I'm the new
sales consultant for
SA/WA/NT schools and
appreciate everyone's
welcoming support. I look
forward to helping you all
and building a solid
customer relationship on
the way. What I love in life
are my dogs and cats and
of yes my husband as well
of course. 😊

- Dual line display (See equation + answer)
- Emulator Available

" We have been using the Abacus calculators this year after changing from another popular brand. We have found the transition very easy as the functions (stats etc) are all exactly the same. The only difference is the position of a couple of buttons. We have not had any calculators returned as we had in previous years (the numbers used to rub off etc) and the price difference is significant. Highly recommend. "

Stacey Donoghue Carroll
College - NSW

TI-84 PLUS CE

Key features TI-84 PLUS CE:

- 30% lighter and thinner than earlier generation TI-84 Plus models
- Vibrant backlit colour screen
- TI rechargeable battery
- Pre-loaded apps and images
- MathsPrint™ functionality

Features summary:

The TI-84 Plus offers a built-in USB port, 3x the memory of the TI-83 Plus and many preloaded Apps and an improved display. The new TI-84 Plus, all students can now share their work by connecting their TI-84 Plus, to any TI presentation tools for the whole class to see, fostering a collaborative learning environment.*

A built-in USB port makes data transfer to your computer and between handhelds easier than ever.

TI-NSPIRE™ CXII

Faster performance, added interactive visuals and easier-to-read graphics expand the TI-Nspire™ CXII graphing calculators' classroom-proven ability to support inquiry and discover The TI-Nspire™ CXII Calculators will be released with OS 5.0.

Additional features in OS 5.0 are:

- Animated Path plot
- Dynamic coefficient values
- Points by coordinates
- Tick-mark labels
- TI-Basic programming enhancements

ACCESSORIES FOR THE TI-84 PLUS CE & TI-NSPIRE CXII

The TI-84 PLUS CE handhelds' lithium-ion rechargeable batteries eliminates the need to routinely replace ordinary alkaline AAA batteries. When the battery indicator on the face of the handheld indicates it's time for a charge, simply use an approved wall adaptor. The TI-84 PLUS CE rechargeable battery and wall adaptor is available for purchase through Abacus Calculators.

CAS CALCULATORS

CLASSPAD FX-CP400

The ClassPad series continues to evolve as the next generation machine is optimised for use in the classroom. The new fx-CP400 is the first ClassPad model to boast a 4.8 inch colour display. The fx-CP400 offers intuitive stylus and finger touch operation. It also supports horizontal screen view. Simply switch the display between vertical and horizontal screen views by a touch on the icon pane.

Main features include:

- 4.8" colour display
- Finger or stylus touch operation
- Horizontal screen view
- Simple, intuitive user interface

Touch-panel operation by stylus or finger

Large touch-panel colour LCD for ease of viewing and operation

The fx-CP400 offers intuitive stylus touch-panel operation that eliminates complicated key operations. Graphically display mathematical formulas by simply dragging and dropping them into the graph area.

**COLOUR DISPLAY
TOUCH PANEL!**

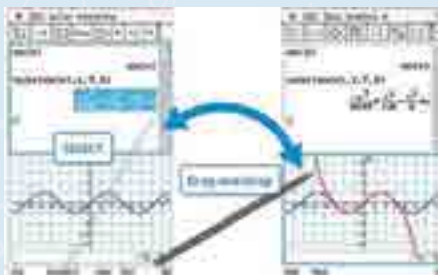

POWERFUL APPLICATION

Brand-new software keyboard

Supports three levels of learning difficulty

The fx-CP400 supports learning of basic functions used by everyone, such as fractions, square roots, and trigonometric functions, advanced functions like differential calculus, complex compound numbers, and sigma calculations, as well as highly advanced calculations such as piecewise and user-defined formulas.

Simple interface

Simple, intuitive interface

The fx-CP400 has simple, easy-to-understand menu icons, menu bars, and toolbars and an interactive interface.

Supports horizontal screen view

One-touch switching between upright and horizontal views

Switch the display between an upright screen view and a horizontal screen view by simply touching an icon on the panel. Horizontal screen view is convenient for displaying a long formula on a single line.

CAS CALCULATORS

**hp HEWLETT
PACKARD**

HP PRIME

- Compelling industrial design
- Innovative colour, multi-touch LCD
- Lithium Ion rechargeable battery
- Sleek, brushed metal
- Reliable HP key design and feel
- Powerful functionality
- Symbolic / Algebraic / Numeric Views
- Dynamic Geometry
- Computer Algebra System (CAS)
- HP Solve and Equation Writer
- Wireless connectivity
- Integration into Hp's education ecosystem
- HP Classroom Manager
- Test mode configuration
- HP Calculator Connectivity Kit

PADDED CASES AVAILABLE TO PROTECT YOUR CALCULATOR

Exclusive to Abacus for back to school orders, we are proud to offer you custom made padded cases to suit all graphic calculators. We will subsidise the cost of the padded case, when you purchase your graphic calculators from Abacus. Please contact our sales team to reserve your stock now!

?

CREATE A POWERFUL LEARNING ENVIRONMENT WITH FULL COLOUR TI-NSPIRE™ CX AND TI-NSPIRE™ CX CAS HANDHELDS. TI-NSPIRE™ CX NAVIGATOR WIRELESS NETWORK ADAPTERS MAKE THIS SYSTEM COMPACT AND PORTABLE.

Features Overview

• Question Capability • Collaborative Activity • Document Transfer • Quick Poll • Screen Capture • Live Presenter • Expression • Image • Chemistry • Portfolio and Auto-grading

NSPIRE™ NAVIGATOR™ TEACHER SOFTWARE

Five workspaces let you access content, create lessons and track student progress. This software is compatible with both PC and Mac®

TI-NSPIRE™ DOCKING STATION

Store and recharge TI-Nspire™ class sets - Simply place handhelds directly into the docking station (holds up to 10 units). Monitor each handheld's battery status via LEDs located on each dock.

Update handheld operating systems - Link the docking station to TI-Nspire™ Teacher Software to quickly transfer the latest OS update files to multiple handhelds simultaneously. The software also tracks the OS version for each unit and identifies those that need an update.

NSPIRE™ CX WIRELESS NETWORK ADAPTERS

Attach to the top of each TI-Nspire™ CX or TI-Nspire™ CX CAS handheld to provide the smallest wireless connectivity of any TI-Nspire™ Navigator System. Compact and easy to store.

TI-NSPIRE™ NAVIGATOR™ ACCESS POINT

Provides wireless connection between the teacher's computer and the TI-Nspire™ CX Wireless Network Adapter on each student handheld.

TI-INNOVATOR SYSTEM

The TI-Innovator™ System is a project kit that extends the functionality of Texas Instruments (TI) graphing calculators to make coding and engineering design accessible to student in the classroom.

EXTEND THE FUNCTIONALITY OF TI GRAPHING TECHNOLOGY

The TI-Innovator™ Hub supports TI-84 Plus CE graphic calculators and TI-Nspire™ technology, which include simple coding languages, to make basic programming and engineering design accessible to all students.

TI-INNOVATOR™ ROVER www.education.ti.com/aus/rover

Students program Rover to put math and science in motion, adding a physical dimension to verbal, symbolic and graphic representations. Rover also provides an accessible on-ramp to more advanced coding, STEM and robotics projects.

Plug-and-play ready

The TI-Innovator™ Rover is out-of-the-box ready to connect to the TI-Innovator™ Hub, which is placed in a special bay on Rover. Either a TI-84 Plus CE graphing calculator or TI-Nspire™ CX handheld is secured with clamps on top of Rover

EXTERNAL BATTERY KIT

Convenient source of power when using components that require extra power.

TI-INNOVATOR™ HUB KIT

Enables students to learn basic coding and design, and use those skills to program and build working solutions. Contents:

TI-Innovator™ Hub,
TI Wall Charger,
USB Cable: Standard-A to Micro-B,
USB Cable: Mini-A to Mini-B,
USB Cable: Standard-A to Mini-B

EXTERNAL BATTERY KIT

This module measures distance from the module in centimetres for use in programming and STEM projects.

TI-INNOVATOR™ 1/O MODULE PACK

This pack contains a servo motor, vibration motor, light sensor and white LED modules. This pack is required for Science Through Engineering Design activities.

TI-INNOVATOR™ BREADBOARD PACK

This pack contains resistors, capacitor, LEDs and other components for activities that explore electronics principles. This pack is required for Path to STEM Projects activities.

SHIELDING YOU FROM
OVER - PAYING ALL
YEAR ROUND!

TI-NSPIRE™ SOFTWARE LICENCE TYPES

Single-User Licence

"I need a small enough number of licences that I don't mind each user having their own licence number to manage."

- Provides one software licence for one computer.

School-Managed Licence (SML)

"I have many computers that need the software. The teachers and/or students will use the software at home and at school."

- Allow access to the software on a fixed number of computers for specific users.
- Software can be deployed with many standard deployment methods.
- Licence distributed to computer from a licence service (i.e., server).
- Software licence contains a "grace period" allowing software to be used at home or outside of the school's network for 30 days. After this grace period expires, the computers must connect to the school's network to continue use.
- Perpetual licences require an annual licence extension at no additional charge.

TEACHERS RESOURCES

“ Working with Abacus to organise a large order of student calculators each year has been made very straightforward by their wonderful, helpful staff. Their incredibly quick turnaround of our orders means our students have their calculators prior to the holidays to get started on learning how to use them. I would recommend them as a company that work with schools very effectively. ”
Lisa Saffin, Wesley College VIC

ORDER YOUR STUDENT CALCULATORS

FINANCIAL & BUSINESS CALCULATORS

**TEXAS
INSTRUMENTS**

BAI PLUS™ PROFESSIONAL

- Easy to use calculator with powerful features such as flow analysis and advanced statistics for business professionals and students
- Computers NPV and IRR Solves time-value-of-money calculations such as annuities mortgages, leases, savings and more
- Also generates amortisation schedules

“Abacus has serviced Canberra Grammar School for a number of years now and we are very happy with the prompt, reliable, cost-effective products they offer. Their excellent and professional service is a credit to the Abacus team. There is no other company that can deliver our expectations for quality and care to our school and the reason why we enjoy our relationship with Abacus.”
Canberra Grammar School, Maths Department

FC100V

CASIO

- Powerful functions turn you into a financial wizard
- 1 independent memory and 6 constant memories
- 10 independent program areas
- 26 memories
- Financial statistics
- Profit Margin %
- 10 Digits
- Non programmable

“St. Patrick's College has been dealing with Abacus Calculators for many years and when I became the Head of Department at the start of 2010, after the excellent way we had been looked after in the past it was just logical that we would continue our relationship with Danielle and Abacus. Occasionally you hear of other companies offering some one off deal calculators, but with the service that you get from Abacus you are not even tempted to change supplier.

Whenever I ring Abacus, Danielle is so cheerful and helpful that you walk away from the conversation feeling better, knowing that your order is organised and will arrive on time. If there has been a problem with a calculator, then everything gets sorted quickly and efficiently, often with the replacement of the faulty device (which is the beauty of the extended warranty). Whatever question you want answered they can answer or will organise someone who can.

I have never had a problem they couldn't handle.”

Glen Smith, Head of Department -
Mathematics, St Patrick's Senior College Mackay

SHARP EL - 738

- Comprehensive business, day/date calculator with 2 line display
- 12 digit dot matrix and 10 (9 mantissa) +2 (exponent) LCD screen
- Comes with wallet cover
- Replacing the EL-735
